

## Features & Implementation:

- Employed Twitter Bootstrap responsive grid system.
  - View in large-size screen: (This is just part of the website, for more details please look at the website itself. The same as the screenshot below)

- View in medium-size screen:

- View in small-size screen:

The mobile view of the New American Funding website features a dark header with the company logo and a navigation menu icon. The main headline is "Work With New American Funding" followed by a subtext: "We're inviting talented people to join our company focused on longevity." Below this are two call-to-action buttons: "JOIN US" and "LEARN MORE ►". The page then transitions into three horizontal sections with grey backgrounds:

- We are a **Direct Lender, Seller & Service** Fannie Mae, Freddie Mac, & Ginnie Mae
- We are a team of **over 1800 employees with over 90+ branches** in operation nationwide
- We fund over **\$900 million** in home loans every month

- Used Browser Sync tool to spin up local server for viewing the page in the process of development.

- Used SCSS for cascading style sheets
  - Variables
  - @media
  - @extend
  - nesting
- Used Gulp for automatically
  - converting SCSS file to CSS,
  - minifying CSS file,
  - employing Browser Sync and live-view mode upon files changes.  
Run command “*gulp*” under the root directory.
- Used jQuery to implement the hover effect of the Leadership. The default view of the leaders picture session is done based on the PDS file in the assignment.
