

## Features & Implementation:

- Employed Twitter Bootstrap responsive grid system and optimized for various size screens (monitor, iPhone, iPad, etc.)
  - View in large-size screen: (This is just part of the website, for more details please look at the website itself. The same as the screenshot below)

- View in medium-size screen:

- View in small-size screen:

The mobile view of the New American Funding website features a dark header with the company logo. Below the header is a large, bold title "Work With New American Funding" followed by a subtext: "We're inviting talented people to join our company focused on longevity." Two prominent buttons are visible: "JOIN US" in orange and "LEARN MORE ►" in white. The main content area is divided into three horizontal sections. The top section states: "We are a **Direct Lender, Seller & Service** Fannie Mae, Freddie Mac, & Ginnie Mae". The middle section claims: "We are a team of **over 1800 employees with over 90+ branches** in operation nationwide". The bottom section highlights: "We fund over **\$900 million** in home loans every month". A vertical menu icon is located in the top right corner of the header.

- Used Browser Sync tool to spin up local server for viewing the page in the process of development.

- Used SCSS for cascading style sheets
  - Variables
  - @media
  - @extend
  - nesting
- Used Gulp for automatically
  - converting SCSS file to CSS,
  - minifying CSS file,
  - employing Browser Sync and live view mode upon on file changes
- Used jQuery to implement the hover effect of the Leadership. The default view of the leaders picture session is done based on the PDS file in the assignment.

To see the hover effect, put mouse on another leader's picture. The person's name will be highlighted at the same time.
